Vision

One stop solution for all kinds of packaging needs with wings spread all over India and abroad. Build up an image not just in terms of quality or quantity but humbleness.

Mission

Craft the best product with an efficient design suited to customer needs and executing it with utmost sincerity on time.

SUMIT GOEL
Founding Director

Our Group

- **Balaji Packaging Industries (EST: 2002)** : A **manual** corrugated plant in **Rajasthan**, providing customized solutions both in terms of Corrugated boxes and Mono cartoons.
- **Shri Balaji Packaging (EST: 2011)** : A **fully automatic corrugated plant in Rajasthan** fitted with the latest state-of-the-art production facility, currently converting **10,000 tons** of paper per annum into corrugated boxes, with an **annual turnover** of **₹30-35 crore** and a workforce of **80 employees**.
- **Ganpati Coroplast Pvt. Ltd. (EST: 2024)**: a **fully automatic** corrugated plant in Patna, Bihar, with daily production capacity of 40 tons per shift.
- **Laxmi Packaging**: another feather in the cap adding value and strength to our production of corrugated boxes and **Mono cartoons**.

Team

DINESH GUPTA

PARTNER: SHRI BALAJI PACKAGING

Since becoming a partner in 2011, I have dedicated my efforts to enhancing the efficiency of our system. I firmly believe that with a robust system in place, we can excel at any given stage.

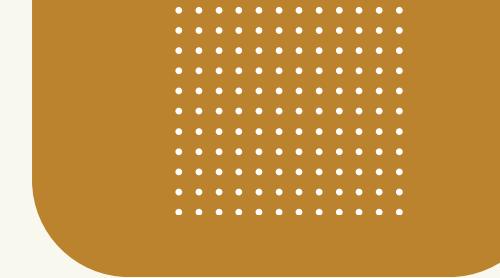

VIVEK AGARWAL

PARTNER: SHRI BALAJI PACKAGING

I became a partner in 2017. I am convinced that our distinction lies in our quality and resilience to tailor our designs precisely to meet every customer's needs.

Our Role In Packaging

Packaging plays a very critical role in building the brand equity of the product packed inside. We specialize in customized packaging and provide solutions to all the clients across all the business categories. We do not just deliver the boxes but also print according to customer needs. We check every minor details and take care of the physical attributes to deliver you the best product of your choice!

Fully Automatic Die Punching	Century	965 x 1320 MM

QUALITY POLICY

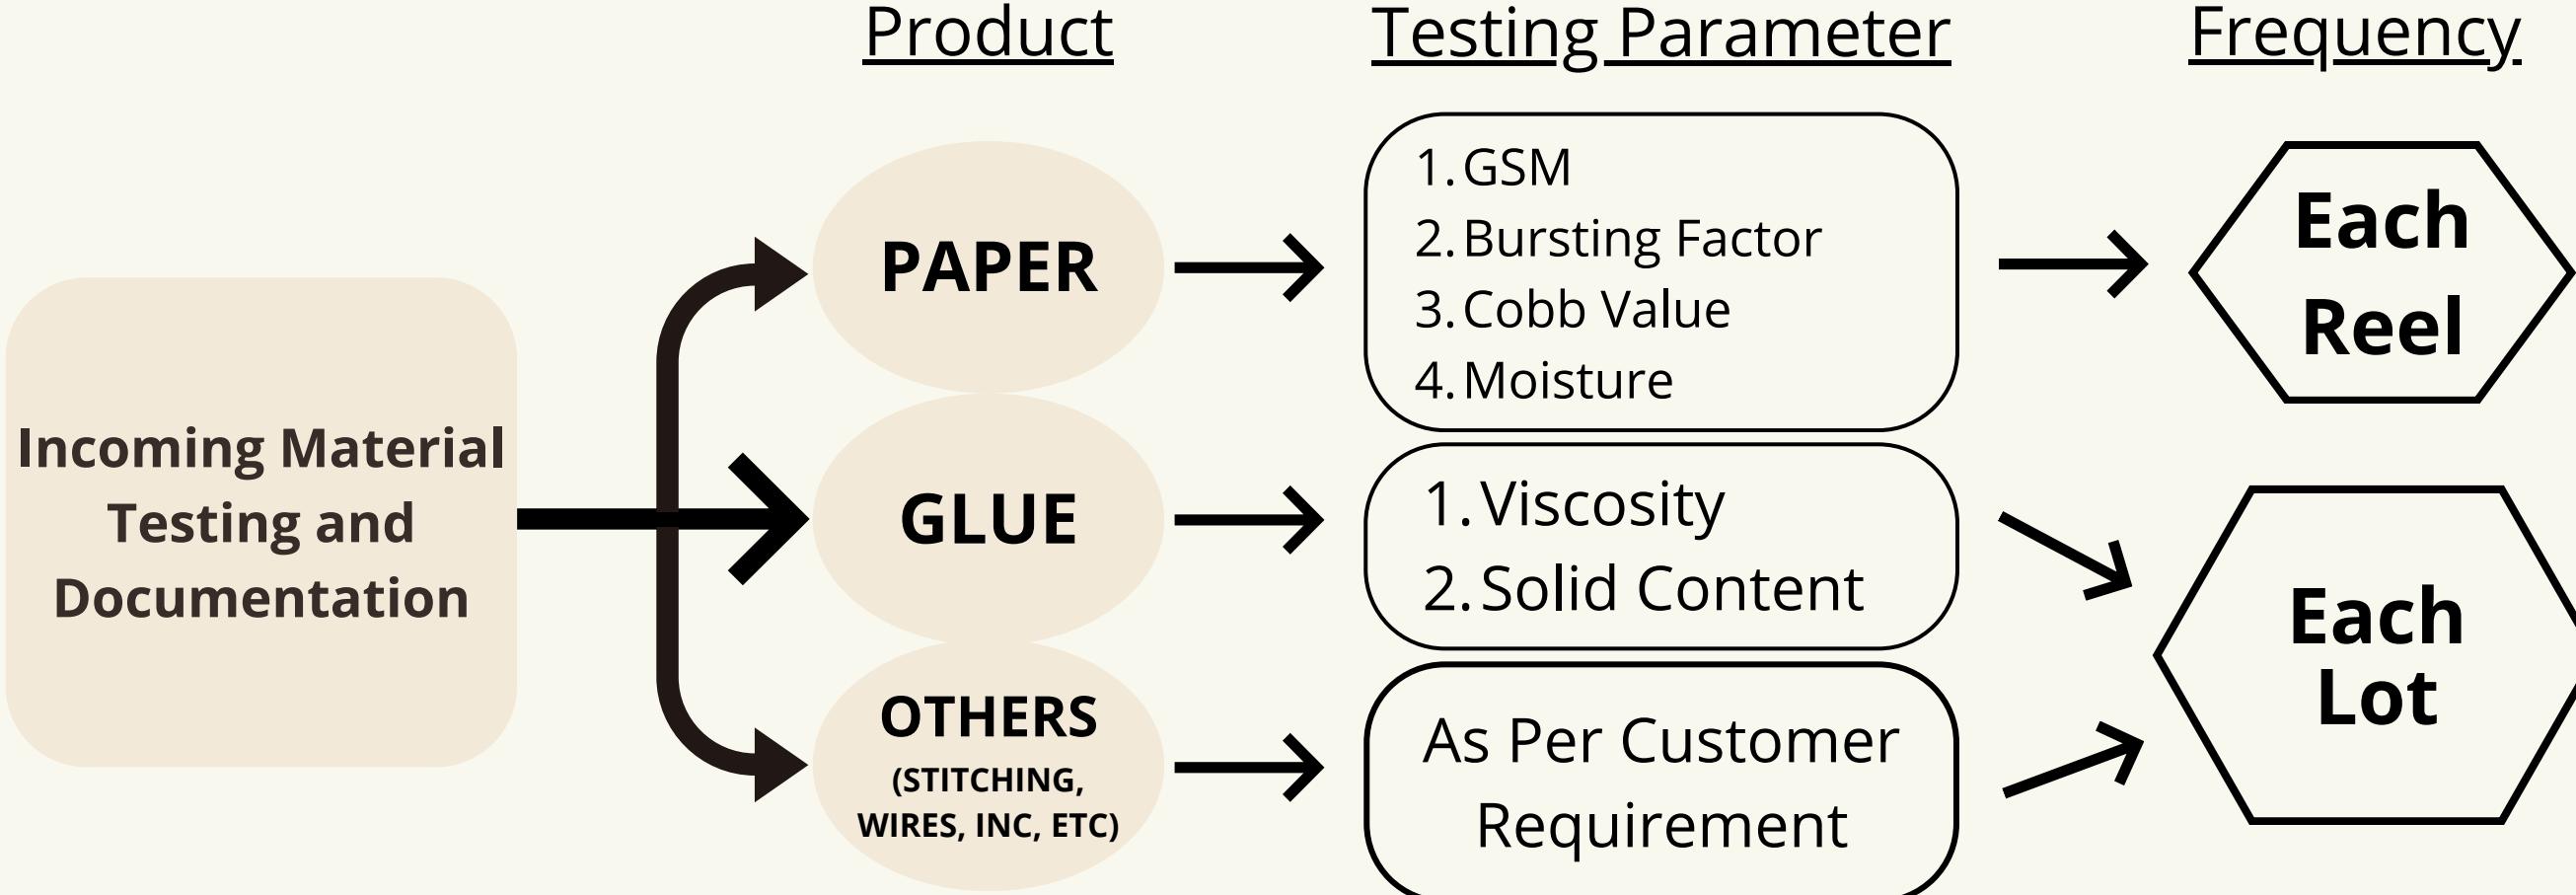

“Quality is never an accident. It is always the result of intelligent effort”- John Ruskin

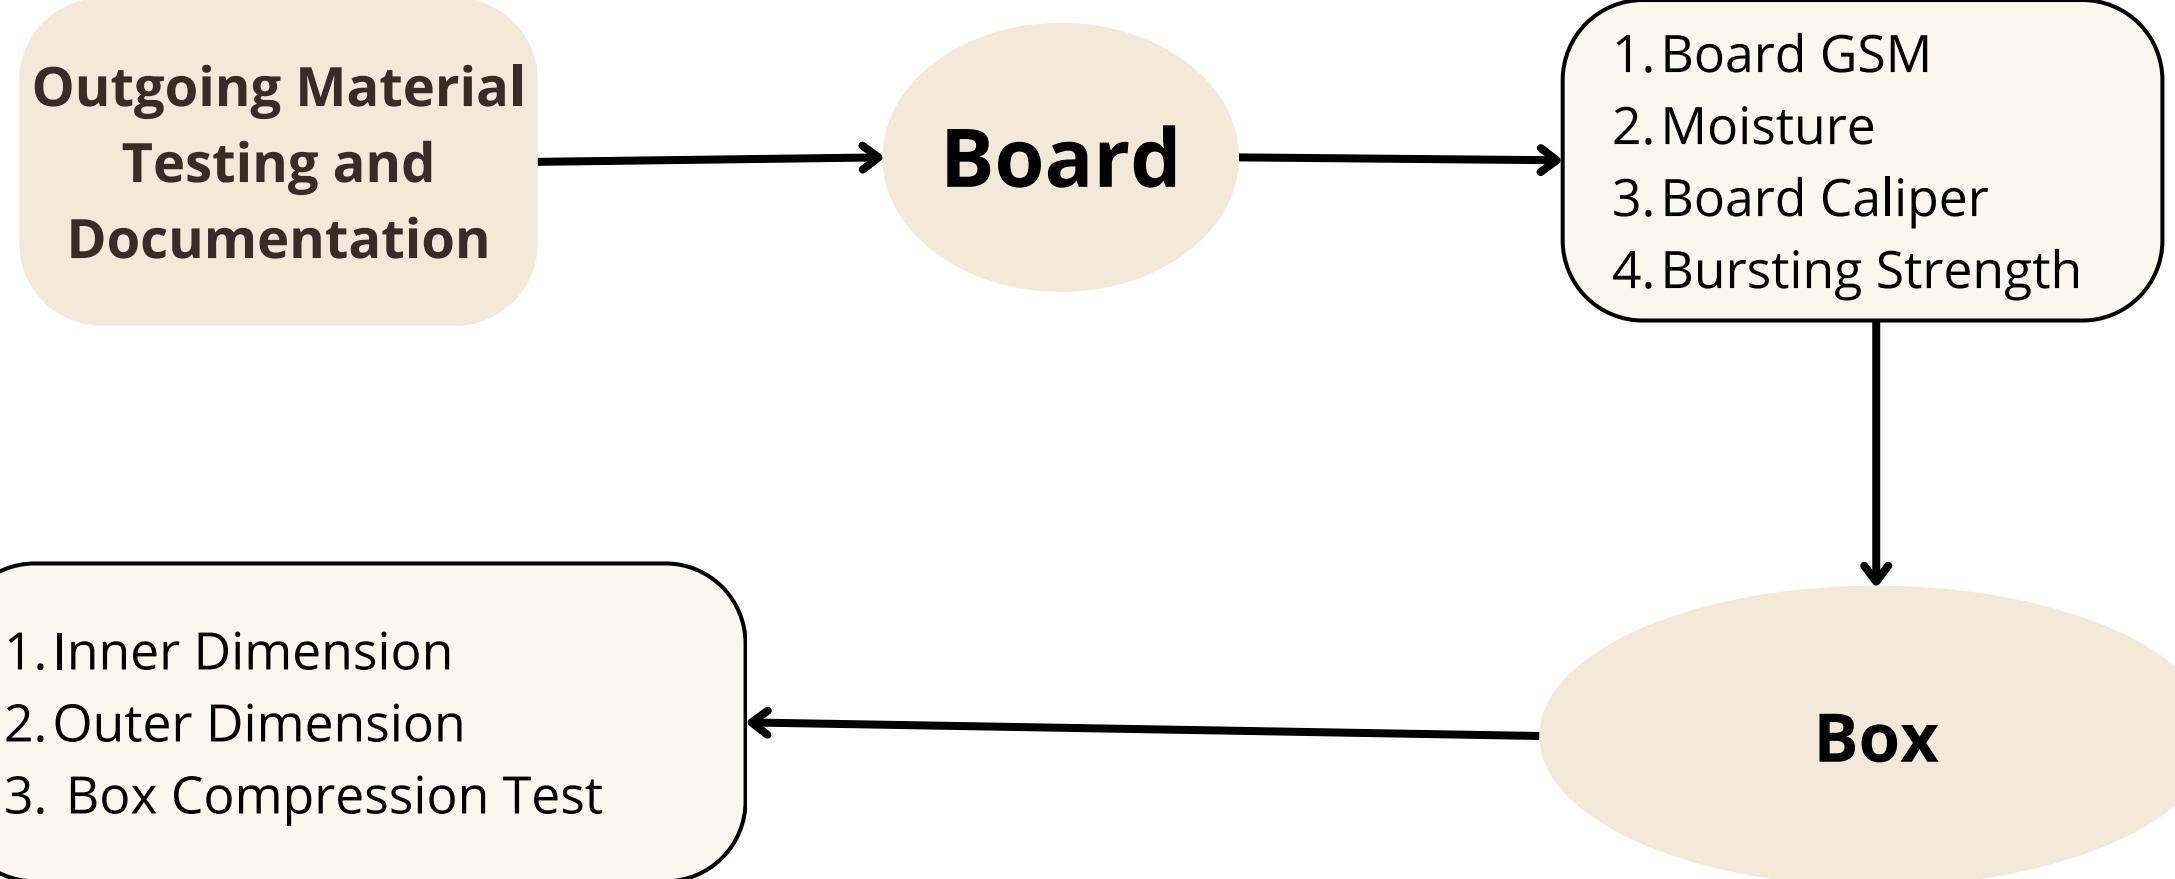

Reduction and optimization of product cost is the most sought-after element for both supplier and customer but not at the expense of quality. We follow very stringent quality norms right from incoming raw material, work in process to finished product without any hesitation to scrap material not conforming to standards. We do not just believe but make it happen by learning at every step from our mistakes.
